

A Clinical Trial Is Being Conducted In Your Area

Have You Been Diagnosed With Parkinson's Disease & Experience symptoms of Orthostatic Hypotension?

(Lightheaded or dizzy when you stand from laying down)

If so, Lovelace Scientific Resources in Venice is looking for adult volunteers to participate in a clinical research study. This study is evaluating an investigational medication for Orthostatic Hypotension.

You may qualify if you

- Are 18 years of age or older.
- Have been diagnosed with Parkinson's.
- Experience symptoms of Orthostatic Hypotension.

All study related medication and study exams will be provided at no cost. Compensation for time and travel may also be provided.
