

Do you suffer from **CHRONIC PAIN?**

Learn more about an investigational once-a-day pain medication.

Local doctors are currently conducting a clinical trial of an investigational once-a-day pain medication for patients who have been medically diagnosed with moderate to severe chronic nonmalignant or non-neuropathic pain.

To pre-qualify for this trial, patients must:

- Be at least 18 years of age
- Have a diagnosis of moderate to severe chronic pain, not due to cancer or injury to nerves, as a primary pain condition for at least three months prior to this trial

All trial-related visits, tests, and medications will be provided to participants at no cost. In addition, compensation for time and/or travel may be provided.
