

A black and white photograph of a hand holding a lit matchstick. The match is lit, with a bright flame at the tip. The background is dark and out of focus. The text is overlaid on the image in a semi-transparent dark box.

Attention Smokers and Ex-Smokers!

Do You Have A Persistent Cough Or Trouble Breathing?

Lovelace Scientific Resources is conducting a clinical research study that is evaluating an investigational inhaled medication for those who have Chronic Obstructive Pulmonary Disease (COPD).

Study participation may last up to 1 year and may require 10 visits with a study doctor or nurse.

To pre-qualify you must be 40 years of age or older, be a current or former smoker, and have a persistent cough or trouble breathing.

All study related exams and study medication will be provided at no cost. Compensation for time and travel may be provided.
